Subject: Gay portland contest.

Dear Board of Directors of the Imperial Sovereign Rose Court of Portland, Oregon.

Thank you for approving my candidacy for Miss Gay Portland. As many of you know I've been waiting to take an opportunity to be able to compete for a title within the rose court since I moved back 2 years ago.

Also, as many of you know, my husband has had some medical concerns that have ended up hospitalizing him. Originally the doctors expected to have him home within a week, with a healing time of 3 weeks, however as of last night, things have changed.

To give you a bit of background information, Kayden has had to have 3 surgeries in under a 72 hour time period and has suffered severe loss of feeling in his legs. His medical team was confident that they could get him into physical therapy and reverse a lot of this damage, will hopes for a full recovery.

Unfortunately, as of last night, he's began to lose feeling traveling farther up body to where he can now no longer feel anything below his waist. His doctors are still trying to combat this and try prevent paralysis, however it is a very real, and very probable outcome that kayden may end up paralyzed.

Because of the seriousness of Kayden's condition, and because of the fact, as his husband, I need to be by his side to help him through this and be a support, and also help take care of him once he is discharged from the hospital, I must, very regrettably, withdraw my candidacy from the pageant.

Everyone in the court system says "real life comes first" and as much as it truly pains me to withdraw, I feel like I have too much going on and far too pressing of priorities in my personal life that I need to attend to that will take my focus away from the court and this title. I feel that I would not be able to bring my best to the title given the existing circumstances I am needing to deal with.

I am so honored I was given the consideration to compete and I am truly sorry that I have to withdraw.

Regards,

Jared Petersen-Craig.

Don Hood asked via email on August 24th if we should move the September meeting to be combined with the Court meeting due to the Labor Day holiday. Voted unanimously by the board to move it as we had in the past, and that we had enough time to let people know via social media and other venues.
